ALEX & ALEX HIGH

FOGIA

ALEX is one of our most popular seating systems

Its seamless, easygoing design is built for deep comfort and suits many different spaces. Tweak ALEX to find your perfect style, choosing from a range of modular seating options, colourways, backrest heights and legs. To celebrate ALEX's new look with NOAH fabrics, we're sharing a campaign price on the seating system.

Made for living

ALEX was specially designed to adapt across different stages of life. Its modular design ensures it remains part of the home over the years. Our responsible design and production philosophy means our ALEX sofas come with a 5-year warranty, and an extended 15-year warranty on the FSC-marked frame.*

Different comfort and style

To cater to different needs, the *Alex* sofa system's back cushion comes in two heights. *Alex* offers a relaxed shape, while *Alex High* (with a 7 cm higher back cushion) is more supportive for the back. Whichever you choose, you'll experience optimal comfort and style.

Fabric made from 100% recycled materials

The NOAH fabric is made from 100% recycled materials. It's a long-lasting, innovative fabric that's made for comfort both at home and in work and leisure spaces. Subtly textured yarns merge into a pleasingly softweave with a minimalist feel. Simple to care for, it comes in a Mediterranean-inspired colour palette. NOAH fabrics are OEKO-TEX certified and PFC-free.

Little effort is needed to keep your sofa clean. Most common stains can be easily and quickly removed from NOAH fabrics. Our straight-forward care instructions show how to easily care for your sofa – and enjoy the long life that ALEX was designed for.

CARE
INSTRUCTIONS

No new, raw materials here! The NOAH fabric is made completely from fibres that've been recycled from PET bottles and post-consumer polyester straps.
